BLESSED TO BE A BLESSING

SOLOIST WITH 1ST AND 2ND GRADERS

SOLO

I don't know why I've been given
so much good food to eat, and great clothes to wear.
I know that I must find ways to touch someone in need out there
To whom much is given, much will be asked.
That's why I do this, I want to give back

I've been blessed to be a blessing. I've received so I can give.
And I must tell the world all God has done, 'cause I've been blessed, to bless someone.

ALL

To whom much is given, much will be asked.
That's why we do this, we want to give back
We want to give back.

We've been blessed to be a blessing.

And we must tell the world all God has done,
'cause we've been blessed to bless someone

we've been blessed, to bless someone

GO LIGHT YOUR WORLD

ENTIRE CAST

Let your light so shine before the world,
And they will see your works and praise the Lord, praise the Lord.

There is a candle in every soul,
some burning brightly, some dark and cold.
There is a Spirit, who brings a fire
Ignites a candle and makes His home

Carry your candle, run to the darkness
Seek out the hopeless, confused and torn
Hold our your candle, for all to see it.
Take your candle; go light your world
Take your candle; go light your world

We are a family, whose hearts are blazing,
Let's raise our candles, light up the sky
Pray to our Father, in the name of Jesus
Make us a beacon in darkest times!

Carry your candle, run to the darkness
Seek out the hopeless, confused and torn
Hold our your candle, for all to see it
Take your candle; go light your world
Take your candle; go light your world

We've been blessed to be a blessing
We've received so we can give
And we must tell the world all God has done
'cause we've been blessed to bless someone.
